

Vietnam National Heart Association Scientific Meeting
Advances in heart failure: New approaches and management
Muong-Thanh hotel, Thanh-Hoa city, 6-7 October, 2017
Scientific Programme (Advanced)

Date	Time	Hall A	Hall B	Hall C	Hall D	Hall T1	Hall T2	
		3 rd floor (400 seats)	3 rd floor (200 seats)	3 rd floor (120 seats)	3 rd floor (100 seats)	2 nd floor (50 seats)	2 nd floor (50 seats)	
5/10/2017	120 mins 1600-1800		ARNI in chronic heart diseases - From fundamental researches to clinical guidelines <i>Novartis's symposium (M01)</i>					
Friday 6/10/2017	30 mins 0730-0800	OPENING Ceremony <i>Plenary session (P01)</i>						
	90 mins 0815-0945	Heart failure - Where are we now? <i>Plenary session (P02)</i>	How imaging can guide clinical decision making in heart failure <i>Joint symposium between Vietnam Society of Echocardiography and American Society of Echocardiography (S01-S04)</i>	HF management in patients with congenital heart diseases <i>Forum session (F01)</i>	Acute heart failure <i>Forum session (F02)</i>	0800-0900 Biomarker in acute dyspnea <i>How-to-session (T01)</i>	EKGs in acute HF <i>How-to-session (T02)</i>	
	90 mins 1000-1130	Heart failure - Which are gaps in evidence? <i>Plenary session (P03)</i>		HF management in patients with valvular heart diseases <i>Forum session (F03)</i>	HF management in the elderly <i>Forum session (F04)</i>	0915-1015 Optimize diuresis therapy for HF patients <i>How-to-session (T03)</i>	Cardiac Resynchronization Therapy (CRT) <i>How-to-session (T04)</i>	
	75 mins 1145-1300	New era in management of hypertension <i>Servier's symposium (M02)</i>		Prevention of venous thromboembolism <i>Sanofi's symposium (M03)</i>	<i>Merck's symposium (M04)</i>	1030-1130 Optimize betablockers therapy for HF patients <i>How-to-session (T05)</i>	Biomarker in chronic HF <i>How-to-session (T06)</i>	
	90 mins 1315-1445	Comorbidities in heart failure <i>Plenary session (P04-P05)</i>		HF management in patients with coronary heart diseases <i>Forum session (F05)</i>	Cardiomyopathy <i>Forum session (F06)</i>	1145-1300 Recognition of relevant arrhythmias in HF <i>How-to-session (T07)</i>	Management of electrolyte disorders in HF patients <i>How-to-session (T08)</i>	
	90 mins 1500-1630			Heart failure and atrial fibrillation - Where are we now? <i>Joint symposium between Vietnam National Heart Association and Vietnam Heart Rythm Society (S05-S06)</i>	Heart failure and Hypertension <i>Forum session (F07)</i>	Heart failure post MI <i>Forum session (F08)</i>	1315-1415 Optimize ACEI/ARB therapy for HF patients <i>How-to-session (T09)</i>	Inotropic agents & mechanical circulation supports in HF <i>How-to-session (T10)</i>
	90 mins 1645-1800	<i>Servier's symposium (M05)</i> QOL improvement for patients with coronary heart disease: Challenges and solutions			Heart failure management in patients with cancer <i>Forum session (F09)</i>	Advanced heart failure and end-stage heart failure <i>Forum session (F10)</i>	1430-1530 Readmissions prevention after acute HF <i>Servier's How-to-session (T11)</i>	Ventricular arrhythmias and sudden death in HF patients <i>How-to-session (T12)</i>
75 mins 1645-1800						1545-1645 Mechanical ventilation for HF patients <i>How-to-session (T13)</i>	Hand-on Point-of-care Echocardiography <i>How-to-session (T15-T16)</i> <i>(from American Society of Echocardiography)</i>	
Saturday 7/10/2017	90 mins 0800-0930	Heart failure - What are new concepts? <i>Plenary session (P06)</i>	Updates on diagnosis and management of heart failure <i>CME course (C01)</i>	Management of renal failure in heart failure patients <i>Forum session (F11)</i>	All-you-need-to-know about heart failure <i>CME course for nurses (C02)</i>	0800-0900 HF management in patients with previous stroke <i>How-to-session (T17)</i>	Point-of-care Echocardiography <i>CME course (C03)</i> <i>(from American Society of Echocardiography)</i>	
	75 mins 0945-1100	Heart failure - What are we looking for? <i>Plenary session (P07)</i>		Heart failure in diabetics: Prevention and management <i>Forum session (F12)</i>		0915-1015 Gout, NAIDS and HF <i>How-to-session (T18)</i>		
	45 mins 1115-1200	CLOSING Ceremony <i>Plenary session (P08)</i>				1030-1130 COPD management in HF patients <i>How-to-session (T19)</i>		

Code P: Plenary session (P01-P08) F: Forum session (F01-F12): 90 mins/session
S: Symposium (S01-S06): 90 mins/session C: CME Course (C01-C03): 180 mins/course
M: Satellite symposium (M01-M05): 75 mins/session T: How-to-session (T01-T19): 60 mins/session
